

MEMORANDUM FOR RECORD

Approved For Release 2002/03/20 : CIA-RDP59-00882R000100210022-1

SUBJECT: Telecommunications - USSR Violation of Harmful Interference Provisions

1 Although the USSR ~~in~~ ⁱⁿ ~~presented~~ its signature to the 1952 Convention reserved the ^{exception} ~~exception~~ of the Radio Regulations because of certain ~~provisions~~ ^{revisions} that had been made thereto in the period between 1947 and 1952 it seems on the basis of my discussion with State that they would continue to be bound by the earlier ^{regulation} ~~regulation~~ which they had accepted and never demounced. This memo is therefor compiled on the assumption that the radio regulations ^{of 1947} remain binding on the USSR.
